

Laser Safety Management Course, Glasgow

Thursday, 23rd August 2012

- Limited Numbers
- Lunch and Refreshments
- Includes 'Core of Knowledge'
- Comprehensive notes folder included
- £190.00+VAT (£228.00)

Addressing legal and operational safety issues, the course is suitable for all professionals involved with lasers and intense light sources. It will be ideal for those undertaking or planning to undertake the use of lasers or the roles of Laser Protection Supervisor (LPS) or Laser Safety Officer (LSO).

The day will be lead by an experienced trainer and laser safety consultant. Topics will actually be built around the delegate group and typically include,

- Beam and non-beam hazards
- Tissue interaction (eye and skin)
- Risk assessment/management
- Regulations, standards and guidance
- Safety controls (including eyewear)
- Incidents and emergency planning
- Quality assurance and
- Equipment management

Radisson BLU Hotel 301 Argyle Street, G2 8DL

Availability

The course is open to all but places will be limited to maintain a high quality of training and to ensure all subject areas are covered with respect to each delegate's area of work.
