

Laser/IPL Safety Management Course

(Core of Knowledge and update)

Tuesday 27th September 2012

London (Watford), UK

- Limited numbers
- 3 course lunch and refreshments
- Notes folder included
- 'Core of knowledge' certificate
- BMLA approved course
- Free on-site parking
- £190+VAT (£228.00)

Addressing the legal and operational safety issues in the **medical and cosmetic** sector, the course is suitable for all professionals involved with lasers and intense light sources. It is ideal for the Laser Protection Supervisor (LPS) or those planning to undertake this role.

The day will be lead by an experienced trainer and Certificated Laser Protection Adviser (LPA). Topics will include,

- Beam and non-beam hazards
- Tissue interaction (eye and skin)
- Risk assessment/management
- Regulations, standards and guidance
- Safety controls (including eyewear)
- Incidents and emergency planning
- Quality assurance and
- Equipment management

Mercure Hotel, Watford
A41, Watford,
Hertfordshire
WD25 8JH

09:30 start, course finishes at 15:30

Availability

The course is open to all but places will be limited to maintain a high quality of training and to ensure all subject areas are covered with respect to each delegate's area of work.
